

10 Principles for Studying Your Bible, 2008, 160 pages, Charles F. Stanley, 1418536792, 9781418536794, Thomas Nelson Inc, 2008

What would you give to have true contentment, joy without end, and lasting peace? Most of us would say, anything! Especially when we are dealing with the stormy pressures of life. In 10 Principles for Studying Your Bible, Dr. Charles Stanley provides practical insight into God's word by walking you through the highlights of his own personal Bible study. He explains, "You don't have to go through life wondering if the next storm will be the one that washes your life out to sea. God has an answer for your greatest need, but it is only found in the study of His Word." God tells us that if we seek Him, we will find Him, writes Dr. Stanley. And when we uncover His truth, we gain clear direction for our lives and circumstances. Those who begin this journey into understanding the Bible quickly realize His Word is a doorway to divine principles and life's greatest blessings.
